

RAINSCREEN CLADDING ADHESIVE

DK PRO: THE PERFECT
THIRD HAND

INSTALLATION MADE EASY

Adhesive Solution

DK Pro

- Double-sided adhesive foam tape with extremely aggressive permanent adhesive on one side and repositionable adhesive on the other that can be temporarily removed from hard non-delaminating surfaces.

Features & Benefits

- Offers 4X the strength of standard repositionable tapes
- Allows for easier installation
- 1/8" overhang liner for easy peel and stick (even while wearing gloves)
- Temporary repositionability before permanent bonding
- Serves as a spacer and thermal insulator
- Eliminates or drastically reduces conductivity when used as a spacer
- Provides sound deadening, vibration dampening, and UV resistance
- Prevents moisture, mold, and damage to insulation and structural walls
- Easy to cut to size

Product Specifications

- Closed-cell foam carrier
- Permanent adhesive on the exposed side, repositionable adhesive on the liner side
- Application Temperature 65°F to 100°F
- Service Temperature -20°F to 150°F
- 180° Peel Adhesion (lb/in)
Perm: 8 min; **Remo:** 7.5 min
- Shear Adhesion (hours) (1in², 10lb, 72°F)
Perm: 175 min; **Remo:** 25 min

HASSLE-FREE SETUP, LASTING BONDING POWER

IDEAL FOR:

OUTDOOR APPLICATIONS

ARCHITECTURAL PANELS

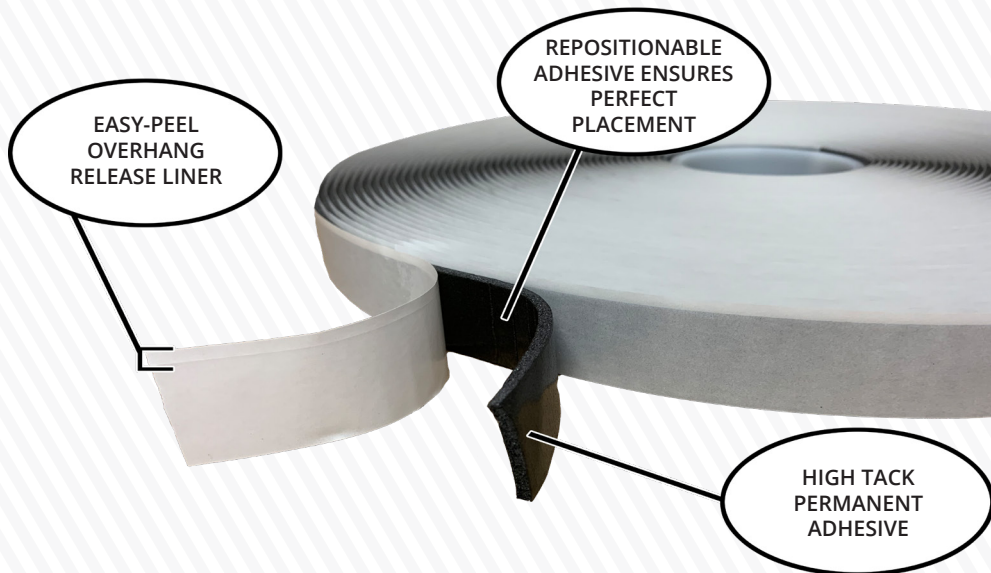

DECORATIVE PANELS

INDOOR APPLICATIONS

PRE-INSTALLATION BENEFITS	POST-INSTALLATION BENEFITS
Repositionability to allow for perfect placement	Aggressive permanent adhesive that maintains a durable, trusted bond
Holds materials in place while fasteners are being applied	Black foam carrier color for blend-in performance, minimizing noticeability
Overhang liner for easy removal and faster application	Designed to withstand a range of challenging environmental conditions
Easy to cut construction for expedited application	Allows for proper ventilation of the rainscreen system
Acts as a third hand to assist in positioning	Protects against mold and mildew growth, enhancing the longevity of the system

STREAMLINING PROJECTS WITH ADHESIVE TECHNOLOGY THAT OFFERS A HELPING HAND PRECISELY WHERE YOU NEED IT.
