- For lightweight applications or filling gaps
- Intended for one time use

**Duraco's  
line of  
tapes for  
mounting.**

Can't find your size?  
**We customize.**

Duraco's Remo One® products deliver reliable, resourceful, and removable solutions to mount a variety of applications. These removable foam tapes were designed to improve the mounting process and provide a durable bond for strong holding power overtime. Instead of using nails, screws, and mechanical fasteners that put holes in walls, our tapes leave no damage or foam residue behind.
